

Key words

Gesture	A Gesture may be something small but can have emotional impact or it can be a movement that defines a character or emotion
Canon	Something occurring one after the other like a Mexican wave.
Stance	This is associated with strength as the body could radiate assertion and authority or weakness by stance, incorporating posture.
Unison	Timing your moments with those of other people.
Ensemble	Working as a group to perform.
Physical theatre	Involving movement and gesture to express emotions or represent objects.
Stillness	Sometimes stillness amongst movement can be very effective.
Precision	Movement must be rehearsed and precise for a polished production

Year 8 | The Curious Incident | Physical Theatre

The curious incident of the dog in the night time follows the story of Christopher Boone, A 15 year old who is exceptional at Maths but finds people confusing. The play opens with Christopher discovering a dead dog in his neighbour Mrs Shears garden. Christopher decides to investigate the death of the dog. In doing so he discovers that his mother is not dead as his father had told him but alive and well and living in London. So he overcomes his fears and tries to go and visit her
