

# Newsletter – 15<sup>th</sup> March 2024

This may be a short term but my goodness are we packing a lot in! We are so proud of how our Year 11 students are committing to their revision in the countdown to the first full cohort exam on May 10th. We have given out over 1000 revision session praise points- what an incredible achievement!

We have had so many events and enriching opportunities for the students recently, from the Sponsored Read, to the Bournemouth Symphony Orchestra visit, to our staff dress up and week of events for World Book Day.

We push out lots of photos on social media – particularly Instagram- so do drop us a follow so you can keep up to date with all the great things we are doing at school. Equally, could I please take this opportunity to remind all parents to ensure they have downloaded the ClassCharts app. We send the majority of our communication out on this. If you have misplaced your code, please do contact the school and we can re-issue it for you.

Wishing you all a lovely weekend

## “No excuses”

### Tenacity

Allowing excuses perpetuates inequality. We will hold everyone to the same high standard, so that everyone achieves.

## “Be the best you can be”

### Aspiration

Everyone deserves to succeed and to be celebrated for their achievements. We will not accept anything less than 100% effort, 100% of the time.

## “Look after each other”

### Empathy

Those who need us most are often those who ‘opt out.’ We will show that we care by doing what is right, not easy, and by telling the truth, rather than what people want to hear.

## “Make it count”

### Motivation

Education is the way to transform lives. We will not waste a minute and will stand firm in our high expectations for all.

# Attendance Matters

Every student.  
On time. Every day.

Did you know?

## 5 minutes late

to every lesson = 2 hours  
**missed learning**  
a week, which is 15 ½  
school days per year!

For help &  
**support**

**Please contact your child's**  
tutor, head of year or the  
school attendance team:  
[smoss@saltashcloud.net](mailto:smoss@saltashcloud.net)

## Days off cost good grades!

The DfE published research showing that pupils attending school with 95%+ attendance are more than twice as likely to achieve 5 GCSEs at grade 5+ than those with 90% attendance.

## What can families do?

- ☑ Be firm. **Send your child to school every day**, all day, unless they are severely ill;
- ☑ Schedule **appointments** and extra-curricular activities **outside of school time**;
- ☑ **Avoid taking holidays** during term-time;
- ☑ **Encourage your child** to have good sleep, morning and punctuality routines;
- ☑ **Seek help** from us before your concerns become serious. We are always here to support.

## Each day **missed...**

- Puts your child behind and makes it more difficult to catch up;
- Can lead to gaps in learning and lost connections with friends;
- Makes the transition into the workforce or further education less likely to be successful.

### Plymouth Marjon University

Today our Year 12 Sport Studies students attended an Aspiration day at Plymouth Marjon University. We began with a tour of the campus, led by one of the student ambassadors, our students were able to get an insight into student life, and see the fantastic facilities on offer and ask any questions. After lunch Sarah Carlow: Programme Leader for Sport Therapy and Rehabilitation and the Chair of the Sports Therapy Organisation (STO) delivered some workshops to support the delivery of Unit 17. Our students learnt about the professionals involved in the rehabilitation process and the phases of treatment for an ACL injury. They were also able to experience the first-class facilities and equipment used in Sports Therapy, such as the Foot Scanner, Body Composition Analyser, and the Anti-Gravity Treadmill. Sarah and her team were very knowledgeable and passionate about the area of Sport Therapy, and it was a fantastic experience for our students.

## Cornwall School Games

On the 5<sup>th</sup> March, we attended the CSG spring qualifier for Boys Football and Mixed Touch Rugby. It was a fantastic event aimed at students who do not usually get a chance to compete for their school or community club. The event was played 'Barbarian style' which meant all students from the schools were split into different teams and it was lovely to see them connecting with new people from other school and developing their confidence, empathy and teamwork skills. Well done to our Mixed Rugby team who finished first place to qualify for the Spring games finals on the 22nd March.

Special mention to Launceston college and their awesome sports leaders who hosted the event!

### U15 County Cup Football Updates

Unfortunately U15 boys football team lost in quarter final of county cup to a strong Newquay side. However, they can hold their heads high, led impeccably by Lucy Kane in this year's tournament.

Some kind words from the Newquay team coach about our players conduct below reflect this.

***A good game and was closely fought for the majority of the game.***

***Also, out of all of the games I have refereed, the Saltash boys were by far the best in terms of sportsmanship and manner - a real credit to the school.***

# Respect for our staff

Sadly, like many public institutions, we have seen a rise in the number of incidents of threatening or aggressive behaviour, both from visitors to our school and in communications via email or on the phone. Saltash Community School will under no circumstances accept this kind of behaviour towards our staff and this will always be recorded and reported to relevant agencies should this occur. Please note this also extends to proper use of social media platforms.

Please treat our colleagues with respect. We work hard to do our best for your children and will always make time to communicate. We simply ask that you make an appointment, should you need to speak to a member of the team, and we will get back to you as soon as we can.

## Respect our colleagues

Our staff will always treat visitors with respect, and we expect to be treated with respect in return, even if there is a disagreement.

Our team are here to help and should be able to come to work without fear of violence, abuse, harassment, intimidation, or discrimination, as in any workplace.

We have a zero-tolerance policy for these behaviours and reserve the right to ask you to leave the school premises. We may also need to follow up aggressive incidents with other agencies.

Thank you for your co-operation.

RESPECT
